

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEBRASKA

UNITED STATES OF AMERICA,

Plaintiff,

vs.

BRIAN TITMAN,

Defendant.

4:24CR3060

ORDER

Defendant has moved to continue the conference call, (Filing No. 67), because Defendant needs to consider and decide whether to enter a guilty plea. In addition, all counsel are unavailable for the currently scheduled conference call. The motion to continue is unopposed. Based on the showing set forth in an email motion from defense counsel, the court finds good cause has been shown and the motion should be granted. Accordingly,

IT IS ORDERED:

- 1) Defendant's motion to continue, (Filing No. 67), is granted.
- 2) The conference call previously scheduled to be held on October 2, 2024, is continued. A telephonic conference with counsel will be held before the undersigned magistrate judge at 9:45 a.m. on November 4, 2024 to discuss setting any pretrial motion hearing needed, a change of plea hearing, or the date of the jury trial and deadlines for disclosing experts as required under Rule 16. Counsel for all parties shall use the conferencing instructions provided by the court to participate in the call.
- 3) The Court finds that the ends of justice served by granting the motion to continue outweigh the interests of the public and the defendants in a speedy trial, and the additional time arising as a result of the granting of the motion, the time between today's date and November 4, 2024 shall be deemed excludable time in any computation of time under the requirements of the Speedy Trial Act, because although counsel have been duly diligent, additional time is needed to adequately prepare this case for trial and failing to grant additional time might result in a miscarriage of justice. 18 U.S.C. § 3161(h)(1), (h)(6) & (h)(7). Failing to timely object to this order as provided under this court's local rules will be deemed a waiver of any right to later claim the time should not have been excluded under the Speedy Trial Act.

Dated the 1st day of October, 2024.
